

Preparing for you Midday Dog Walks

In preparation for your upcoming visits with The Wag Pack, we ask that you please ensure the following items are in order so that our team may properly care for your pets and your home:

1. Download the Precise Pet Care app from your phone's app store and log in using your Precise Pet Care log in information. There is no charge for this excellent benefit of working with TWP. You will receive visit journals and photos via the Precise Pet Care app and can also use it for scheduling, changes to your client and pet profile, and more.
2. In Precise Pet Care, please provide **up-to-date security system information** and clear instructions on how the system is armed and disarmed. Please be sure that we have the **correct password** if for any reason we need to speak with your alarm company.
3. In Precise Pet Care, please be sure that we have all the **correct contact information** for you, your significant other, and/or your emergency contacts.
4. In Precise Pet Care, please be sure that we have the **correct pet and home care information** including the following:
 - If applicable, the location of food, feeding schedules, and quantities
 - Walking routine
 - Location of leash and other walking equipment such as harnesses and poop bags
 - Behavioral/training techniques that our team should follow during visits
 - Location of cleaning supplies, including broom and pan, and relevant instructions and preferences
 - Location of treats
 - Location of dog towels to dry your dogs off on rainy days
 - If any of your pets are to be crated at the end of each visit
 - If you want your pets' collars removed or to stay on when crated
 - If you would like us to alternate lights, blinds, TV/radio, as well as specifics on what lights/blinds/appliances should be alternated, and desired schedule
5. In Precise Pet Care, please be sure to **leave detailed location and dosage instructions if your pet needs medication administered.**
6. In Precise Pet Care, please be sure that we have **updated vet and emergency vet information.** In the case of an emergency we will transport your pet to your preferred vet or emergency clinic.
7. Please be sure to **secure all doors** that you want to remain closed and make notes in Precise Pet Care to remind us to check doors during visits
8. Please **put anything that your pet can get into out of harms way.** This may include wastepaper baskets, clothes hampers, remote controls, small toys and rawhide, etc.
9. Please close toilet lids to keep your pets from ingesting toilet water, which may contain harmful bacteria and/or toxic chemicals
10. Visit our website to learn about our preferred dog walking equipment to ensure that your equipment meets our gentle training and high safety standards. These can be found at the following link: <https://thewagpack.com/index.php/preferred-equipment/>
